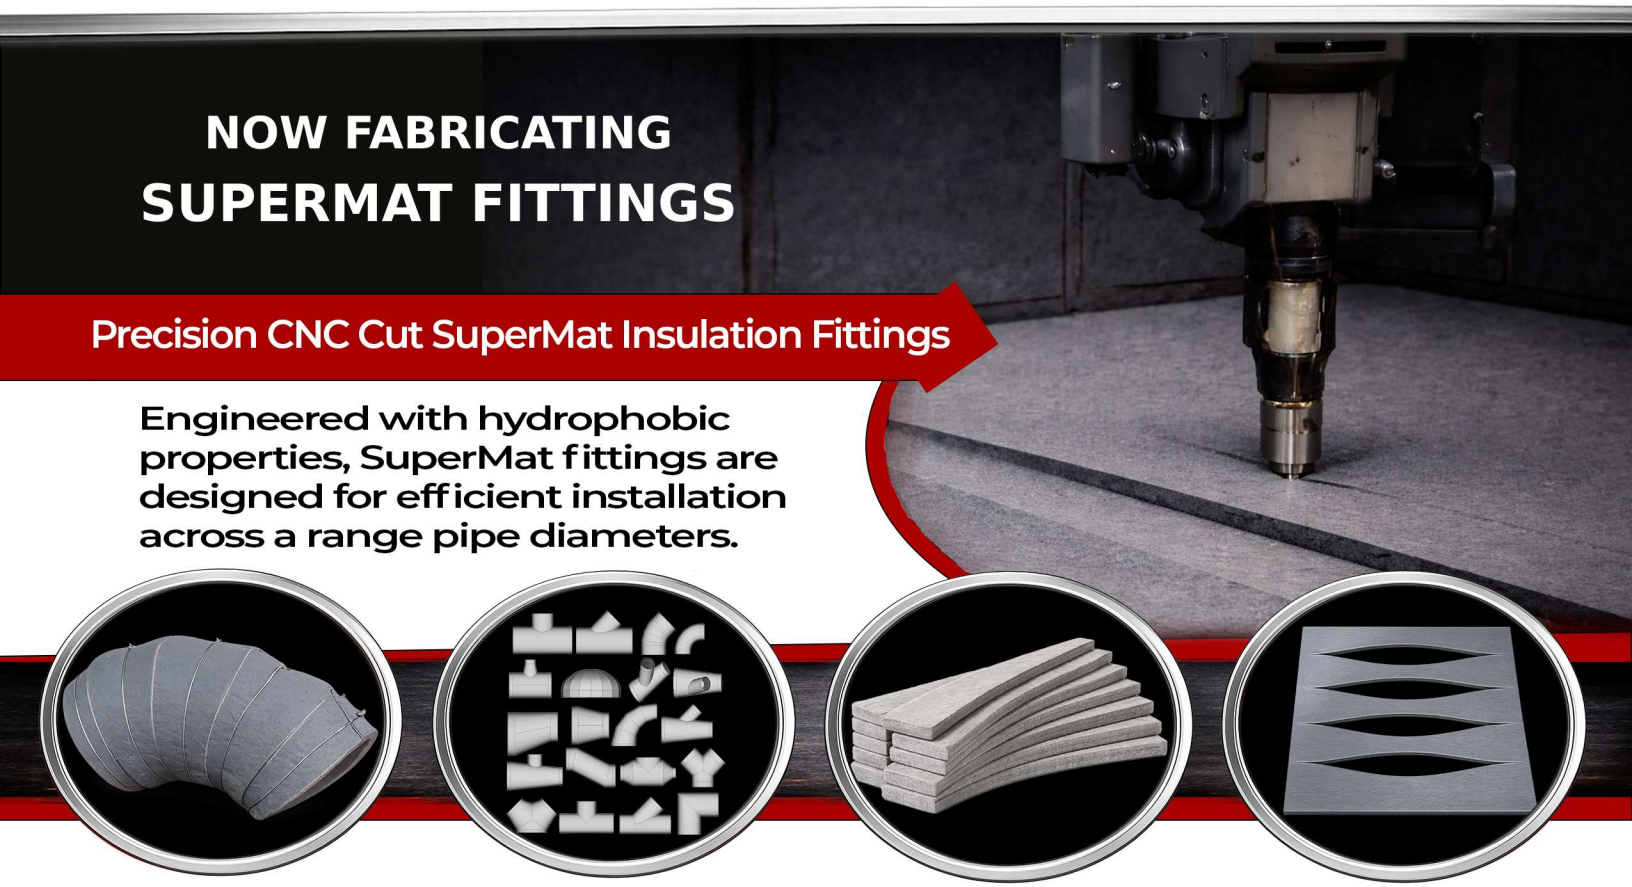
LEWCO

SUPER MAT



NOW FABRICATING
SUPERMAT FITTINGS

Precision CNC Cut SuperMat Insulation Fittings

Engineered with hydrophobic properties, SuperMat fittings are designed for efficient installation across a range pipe diameters.

Custom-Fabricated SuperMat Insulation Solutions for Elbows, Tees, Valve Covers & More

BENEFITS:

- Significantly reduces waste from field fabrication
- Improves moisture resistance and overall thermal efficiency
- Reduces field labor & installation time
- Precision-engineered CNC patterns ensure consistent fit and installation quality
- Available directly from our Baton Rouge, Louisiana facility
